

## The Synchronized Lunar Sabbath and Feasts

# Forward

by Randy Maugans

*“Speak unto the children of Israel, and say unto them, concerning the feasts of the LORD, which ye shall proclaim to be holy convocations, even these are my feasts...” —Leviticus 23:2*

**T**he radio program **“The Threshing Floor”** has become a place where the LORD is revealing the aspects of timing in relation to the “Great Tribulation.” While time and the LORD’s purposes will prove all things, we believe that the calendar is a **coded, detailed revelation** of the Last Days shown in the patterns of The Lord’s ordained Sabbaths and Feasts.

*“This month shall be unto you the beginning of months: it shall be the first month of the year to you.” —Ex 12:2*

So begins the pattern of the days, months, and years of the children of Israel: the prophetic pattern of the Exodus and God’s sovereign will toward His chosen people. And the means by which they would honor and worship Him.

*“Therefore shall ye keep my commandments, and do them: I am the LORD. Neither shall ye profane my holy name; but I will be hallowed among the children of Israel: I am the LORD which hallow you, That brought you out of the land of Egypt, to be your God: I am the LORD.” —Leviticus 22: 31-33*

While some have accused us of legalism and bondage (or worse), we have found that, to the contrary, there is great liberty in the observance of the Sabbaths and Feasts when

properly harmonized to New Covenant theology. Moreover, because we are students of Bible Prophecy and believe that the Bible teaches us that the Old Testament Passover was a **pattern** for the Last Day Believers. We receive revelation from the re-discovery of these “ancient paths:”

*“Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come.” —1Corinthians 10:11*

Through a series of prophetic patterns in the number sequences in the Julian/Babylonian calendars, there began to unfold new insights into the true timing of the Sabbaths and Feasts presented in scripture. These studies opened up the **lunar Sabbaths** (also known as the “Floating Sabbaths”) and true feast days as we believe Old Israel originally observed them.

This pattern of following the New Moon (*see the explanation in the **Introduction***) not only refutes the myths of the current Judeo-Christian SUNday observances; but puts to the lie, the corrupted rabbinical system of observance that manipulates dating by moving or adding days, even months, to the calendar to “buffer” the natural lunar cycles in conformance to the Babylonian system.

That system is at the root of the Julian/Gregorian Roman calendars, which are our modern (*Anno Domini* or Common Era) system, AND the modern day Rabbinical (Hillel II) system of reckoning. Some would argue that this is a minor issue. *We disagree*. The Bible is very clear that God alone ordains (the very root word of *order*) time:

*"...Blessed be the name of God for ever and ever: for wisdom and might are his: And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding: He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him." —Daniel 2:20-22*

It is the Spirit of Antichrist which attempts to interfere in God's Holy Ordinances. Through his human agents in religion and government (the Two Beasts of Revelation 13) as shown to us by the prophet Daniel:

*"And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time." —Daniel 7: 25*

Thus, we see that not only is the current system technically inaccurate, but it is an instrument of the System of Antichrist to deceive and disorient. The neo-pagan observances of Feasts and Sabbaths by the church system of Judeo-Christianity violate the very dignity of The Living God by attempting to

remove His sovereignty in our affairs.

Finally, the real intent of our eternal enemy is to remove the prophetic aspects of the Holy Scriptures by obscuring the timing and intent of God's consummation of His dealing with humanity at the end of the age. The blind shepherds of the modern church and the apostate rabbis of Talmudic and Kabalistic Judaism fail to see the corollary between adherence to God's instructions and the ability to discern rightly times and seasons:

*"But of the times and the seasons, brethren, ye have no need that I write unto you.*

*For yourselves know perfectly that the day of the Lord so cometh as a thief in the night." —1Thessalonians 5:1-2*

And THAT is the point of **The LORD's Calendar**—to re-establish the connection and to restore that which was veiled to the TRUE Assembly of God in these last moments before His return! §

## Introduction to the LORD'S Calendar: The Origin and Usage

**I**n September of 2004, Sue Patterson and Michael Taube were shown, through a series of events, the true Sabbath's of the LORD. The LORD'S calendar is based upon, and driven by, the New Moon. It is a "floating" calendar. This calendar will have relevance during the Tribulation, for the dates within these calendars show when the TRUE SABBATH and the FEASTS OF THE LORD occur.

The New Moon starts a new month with the first day, beginning on the evening of the day in which the New Moon occurs. Evening begins at **twilight** and the days cycle from evening to evening. The first day of the month is a designated **Holy Day**; however, it is *not* a Sabbath day, unless noted. The Sabbaths occur on the 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, and the 29<sup>th</sup> of each month. They are "floating Sabbaths," shifting to a different day of the week in cyclical fashion and, occasionally, skipping one day. The new moon is the guide.

The New Moon is observed during the complete darkness of the moon. While most other lunar charts observe the New Moon when the crescent of the moon is visible, this is incorrect. As a Full Moon is completely visible, a New Moon is complete darkness. When the Full Moon begins to wane (decrease) with just a sliver of the Full Moon, it is no longer full. Use this analogy for the New Moon. When you see a sliver on the New Moon, it is no longer new, but it is now waxing (increasing) to a Full Moon.

There are 12, and only 12 months per year.<sup>1</sup> The first day of the first month begins the new year. There are only four months named on the calendar. These months are the 1<sup>st</sup> - Abib, 2<sup>nd</sup> - Zif, 7<sup>th</sup> - Ethanim, and the 8<sup>th</sup> - Bul. These are the names attributed to these months prior to the Babylonian Captivity. Names attributed after that time are associated with Babylon, and hence, are not used.

There are additional days that shows up six times during the course of a year, after the 29<sup>th</sup> day and before the 1<sup>st</sup> day of the next month. These are days that keep the lunar calendar within it's proper cycle. This is what can be referred to as a *mystery day*, the 30<sup>th</sup> of the month, an in between day, or the day the new moon shows up. We have numbered these on the calendar for consistency.

The calendars have a total of 354 days within each year. They are based upon the lunar cycle, which the Lord has appointed for seasons. You will notice that the lunar cycle is 11days shorter each year than the solar cycle Gregorian/Babylonian or Jew's Calendar. Therefore, certain Gregorian dates appear in the calendar to give an overlay of the Gregorian dates for purposes of tracking the proper days on the calendar.

---

<sup>1</sup>Careful study of scriptures demonstrate NO mention of any months outside of the appointed twelve. We offer two proof texts: 1Kings 4:7, 1Chronicles 27:1-15.

**The Feasts of the Lord** which are displayed on the calendar:

**The Passover** (the 14<sup>th</sup> day of the 1<sup>st</sup> month) **The Feast of Unleavened Bread** (the 15<sup>th</sup> -21<sup>st</sup> day of the 1st month)

**The Feast of Weeks** (the 22<sup>nd</sup> day of the 1<sup>st</sup> month to the 50<sup>th</sup> day, Pentecost)

**The Feast of Tabernacles** (the 15<sup>th</sup> - 22<sup>nd</sup> day of the 7<sup>th</sup> month) and the **8<sup>th</sup> Day of Solemn Assembly** (the 22<sup>rd</sup> day of the 7<sup>th</sup> month)

*Additional days of importance:* **The Feast of Blowing of the Trumpets** (1<sup>st</sup> day of the 7<sup>th</sup> month)

**The Day of Atonement** (the 10<sup>th</sup> day of the 7<sup>th</sup> month).

## **The Prophetic and Doctrinal Importance of the LORD's Calendar**

\*The Multitude is comprised of 1/3rd of what we currently call the Christian Church. Two thirds of the current church will be cut off and die, 1/3 shall be brought through the fire of the Tribulation. (Zech. 13:8,9) The Christian Church is full of abominations, and must be cleansed. After the sealing of the 144,000 Christians spoken about in Revelation 7 the first trumpet will sound. (144,000 CHRISTIANS—the Christians are the true Jews/Israelites, and, no, we are not teaching what is known as Replacement Theology--please refer to Romans 2:28, 29-Gal 3:29). The Wrath and the Indignation of the Lord will then be upon the church. Judgment begins at the house of God. (1 Peter 4:17).

The church is the Whore of Babylon and is under the

judgement of God. The church has married the Beast with their 501C3 contract. Any who are involved with a "corporate" church are under the judgement of God. Any who have not left the church (Babylon) prior to the sounding of the first trumpet will therefore partake of her sins and her plagues. (Rev.18:4)

When the first trumpet sounds, a Transition occurs. The Grace of the New Covenant is upon the 144,000. Because of the false doctrines and lies that have been believed by the people involved with the churches, the people in the churches are not covered under this Grace. One must abide in Jesus Christ IN TRUTH for HIS GRACE to abide in them. If one has been in a lie or false doctrine, or been connected with a church that is part of the Whore of Babylon, they are not abiding in Christ and they are then, not covered under that grace. They are abiding in Mount Sinai, and is in bondage to the law.

**(Galations 4:24-27)**

When the First Trumpet sounds, the 144,000 are the only ones under the Grace of God. All others, including both the Apostate and the Multitude will be under the law. The Apostate will die under the law. The Multitude, during the period of the Tribulation, will realize they are sinners under the law and will move into the Grace of God by confessing their iniquity (sins) and will be forgiven. They will also accept the punishment for their iniquity by the sacrificing of their lives. Lev. 26:38-46, Rev. 12:11.

For a period they may keep the law, thinking that they are under the law; due to the false theology of the Dispensationalists. The Dispensationalists state that we are currently under

‘Grace’ and when the Tribulation begins, all that are ‘left behind’ are under the ‘Law’. The Multitude may believe that they have to keep the ‘Law’ and do so. Until they come to the truth that Jesus Christ is the end of the law. They will then come to the truth, and come under God’s Grace.

The LORD’S Calendar is of great importance during the Tribulation. It shows you when the TRUE SABBATH days of the LORD occur. This has significance to recognize that the

§

LORD has His own calendar completely separate from all others. It will also prove valuable in the prophetic sense. In the future, we will see of what importance the calendar that the LORD has given us will be. Endure to the end that you may overcome. “...whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it.” May the LORD GOD of Israel give you strength in these last days, for the days are evil. – **Sue Patterson The 17<sup>th</sup> day of the 10<sup>th</sup> month of the 2<sup>nd</sup> year/ Dec. 18<sup>th</sup>, 2005**
